

HANDWRITING RESOURCE BOOK

Manuscript/Cursive

ACKNOWLEDGMENTS

This resource book was developed over several years. Earlier versions were field tested and revised based on student outcomes. Kathy Stewart, Joseph Stowitschek, Carole Stowitschek, and Lois Watts assisted in the development, evaluation, and revision of these earlier versions.

Penny Hansen Findlay made design and content revisions for this version. Patricia Willis assisted in reviewing and revising the content.

The information in this book has been revised several times as a result of field tests with teachers, parents, and paraeducators. Evaluation data indicate that the instructor does not need previous experience or specialized training to achieve good results.
